

About CommunityWorx

For nearly 70 years, the PTA Thrift Shop has been a nonprofit fixture in the heart of Chapel-Hill/Carrboro. Focused on enriching the lives of youth, our goal has always been to build a collaborative community that's a catalyst for equity, innovation and empowerment. We continue our commitment to build a community that works for everyone. This is why we've adopted our new brand - **CommunityWorx**.

CommunityWorx Belief: Communities built on equity and collaboration enable youth to reach their full potential.

CommunityWorx Vision: A community where youth and their families have equitable access to resources and opportunity.

CommunityWorx Mission: To enrich lives by building collaborative partnerships and transforming charitable donations into educational and community investments.

We seek to engage with all sectors of our community, including but not limited to nonprofits and for-profit business, local government, schools and district offices, coalitions, and student groups. We seek to support and develop leaders from communities impacted by a lack of access and opportunity. It is our position to lead when called upon, and support leadership working toward expanding opportunities and access for communities of color.

CommunityWorx will continue to operate it's Thrift Shop to help fund tackling the big social issues impacting Chapel Hill-Carrboro youth and families by investing in:

- creating solutions for youth development
- developing workforce training to equip adults to achieve their career goals
- providing affordable space through YouthWorx for youth-centric organizations
- granting and capacity building for area nonprofits

We're excited for this new season in our organization and invite you to join us in showing just how well community works when we're all working together!
